M30

Qualità e raffinatezza.
Tutto ciò che serve.

M30 si caratterizza per il **design raffinato**, fatto di **forme lineari e superfici continue** che mettono in evidenza la qualità del materiale.

La modularità della struttura, l'insieme degli accessori che lo compongono e le finiture, permettono una **composizione espositiva intelligente**, ma che non rinuncia ad adattarsi facilmente alla creazione di ambienti di **impatto estetico rilevante**.

Quality and refinement.
This is all you need.

M30 is characterized by a refined design made of **linear shapes and continuous surfaces** that emphasize the quality of the materials.

The modularity of the structure, the range of accessories and the finishes, allow a **smart display** and the creation of settings with a **remarkable aesthetic impact**.

passione e impegno passion and commitment

Il concetto di modularità e composizione, si traduce in situazioni estetiche e funzionali che possono stimolare il cliente a vivere un'esperienza d'acquisto piacevole. Poder toccare con mano la qualità delle finiture ed immergersi in ambienti ricercati , trasmette tutta la passione e l'impegno che mettiamo nel realizzare M30. Le nostre sono capacità artigianali, che vivono di una visione industriale.

The concepts of modularity and matching are made concrete in aesthetic and functional solutions that allow the customer to live an enjoyable shopping experience. The quality of the finishes and the refined atmosphere, give an idea of how much passion and commitment was put in the creation of M30. Our craft skills go together with an industrial vision.

esperienza tutta italiana an all-Italian experience

M30 è un prodotto capace di riassumere a pieno, non solo le grandi doti di sistema espositivo, ma anche l'estetica e la qualità di un elemento d'arredo creato dal miglior Made in Italy. L'esperienza e l'abilità progettuale di chi crede nella passione per il bello, ha creato un sistema versatile e al contempo di grande qualità, capace di rappresentare un passo in avanti nel visual merchandising.

M30 is not only a great display system, it has also all the typical features of the best Made in Italy: smart design and quality.

We believe in the passion for beauty and thanks to our experience and design skills we conceived a versatile and high quality system which represents a step forward in visual merchandising.

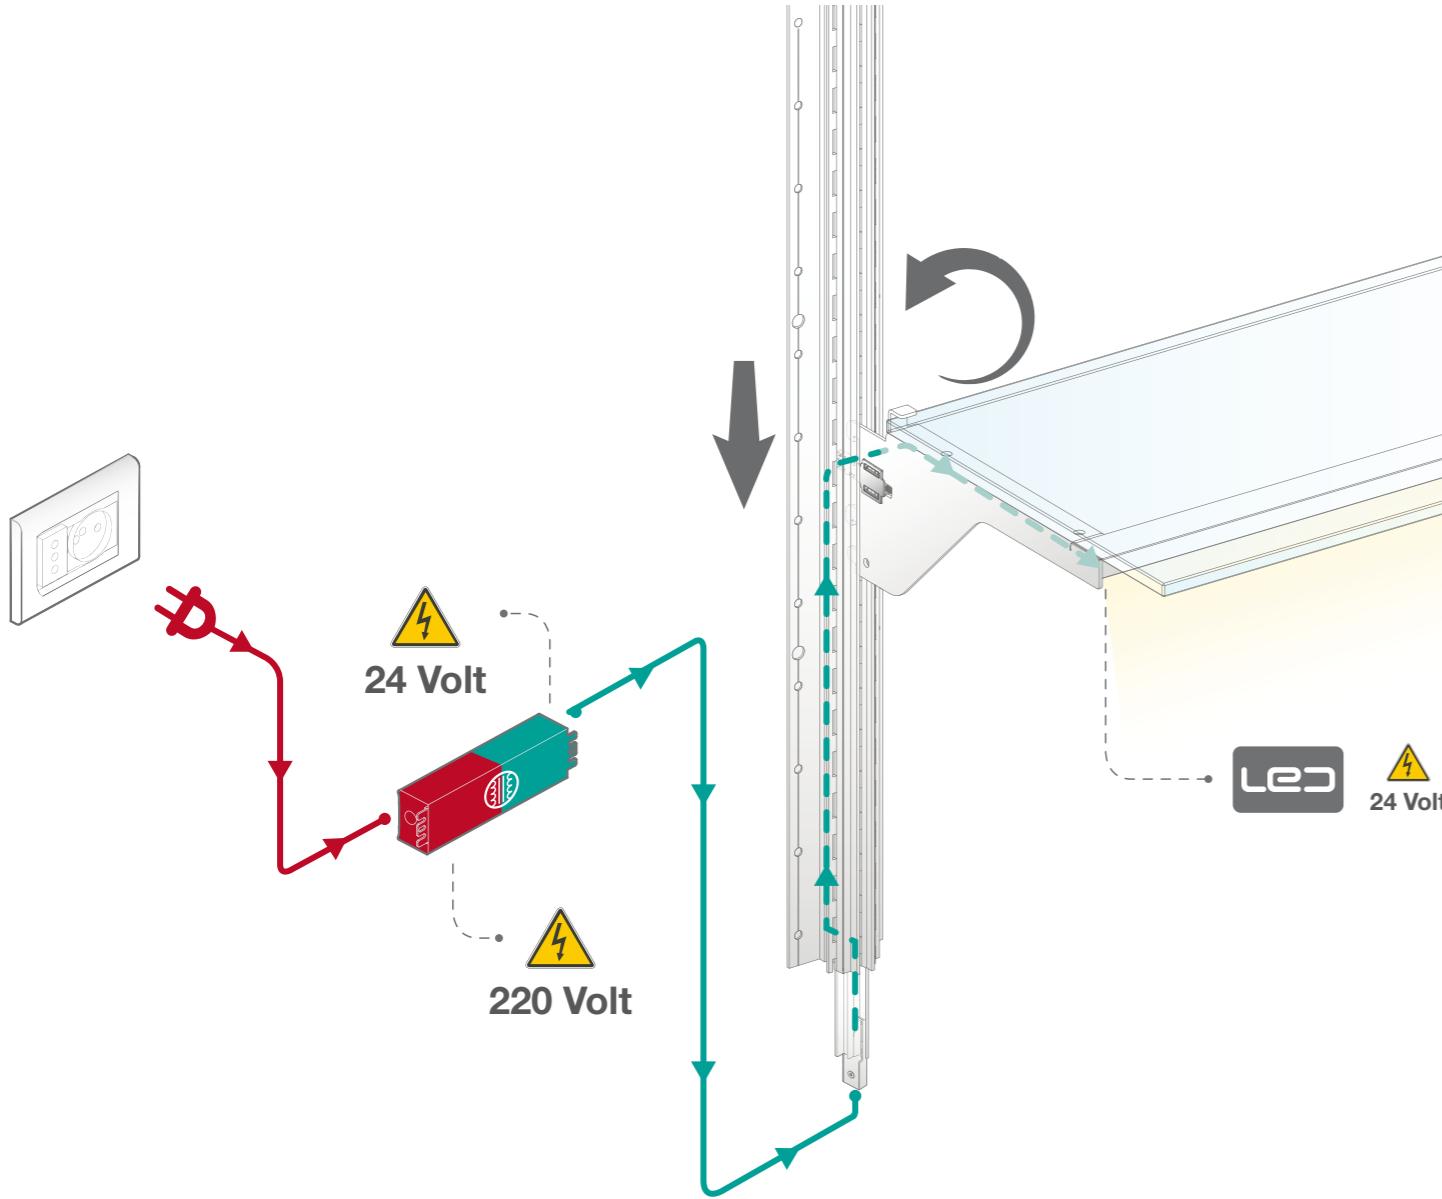

linearità strutturata organized linearity

La linea M30 è progettata come una serie dalle molteplici qualità. Facile da gestire per l'operatore e di naturale approccio per il cliente, si presenta in modo pulito e lineare. Grazie agli accessori di cui dispone, può al contempo trasformarsi in composizioni strutturate donando all'ambiente il connubio di estetica e praticità che caratterizza un prodotto professionale.

M30 series has many qualities. It's easy for the operator to place the items on display, it's user-friendly. Its shapes are clean and linear. The wide range of accessories are the base for the creation of structured compositions that combine beauty and functionality, the main characteristics of a professional product.

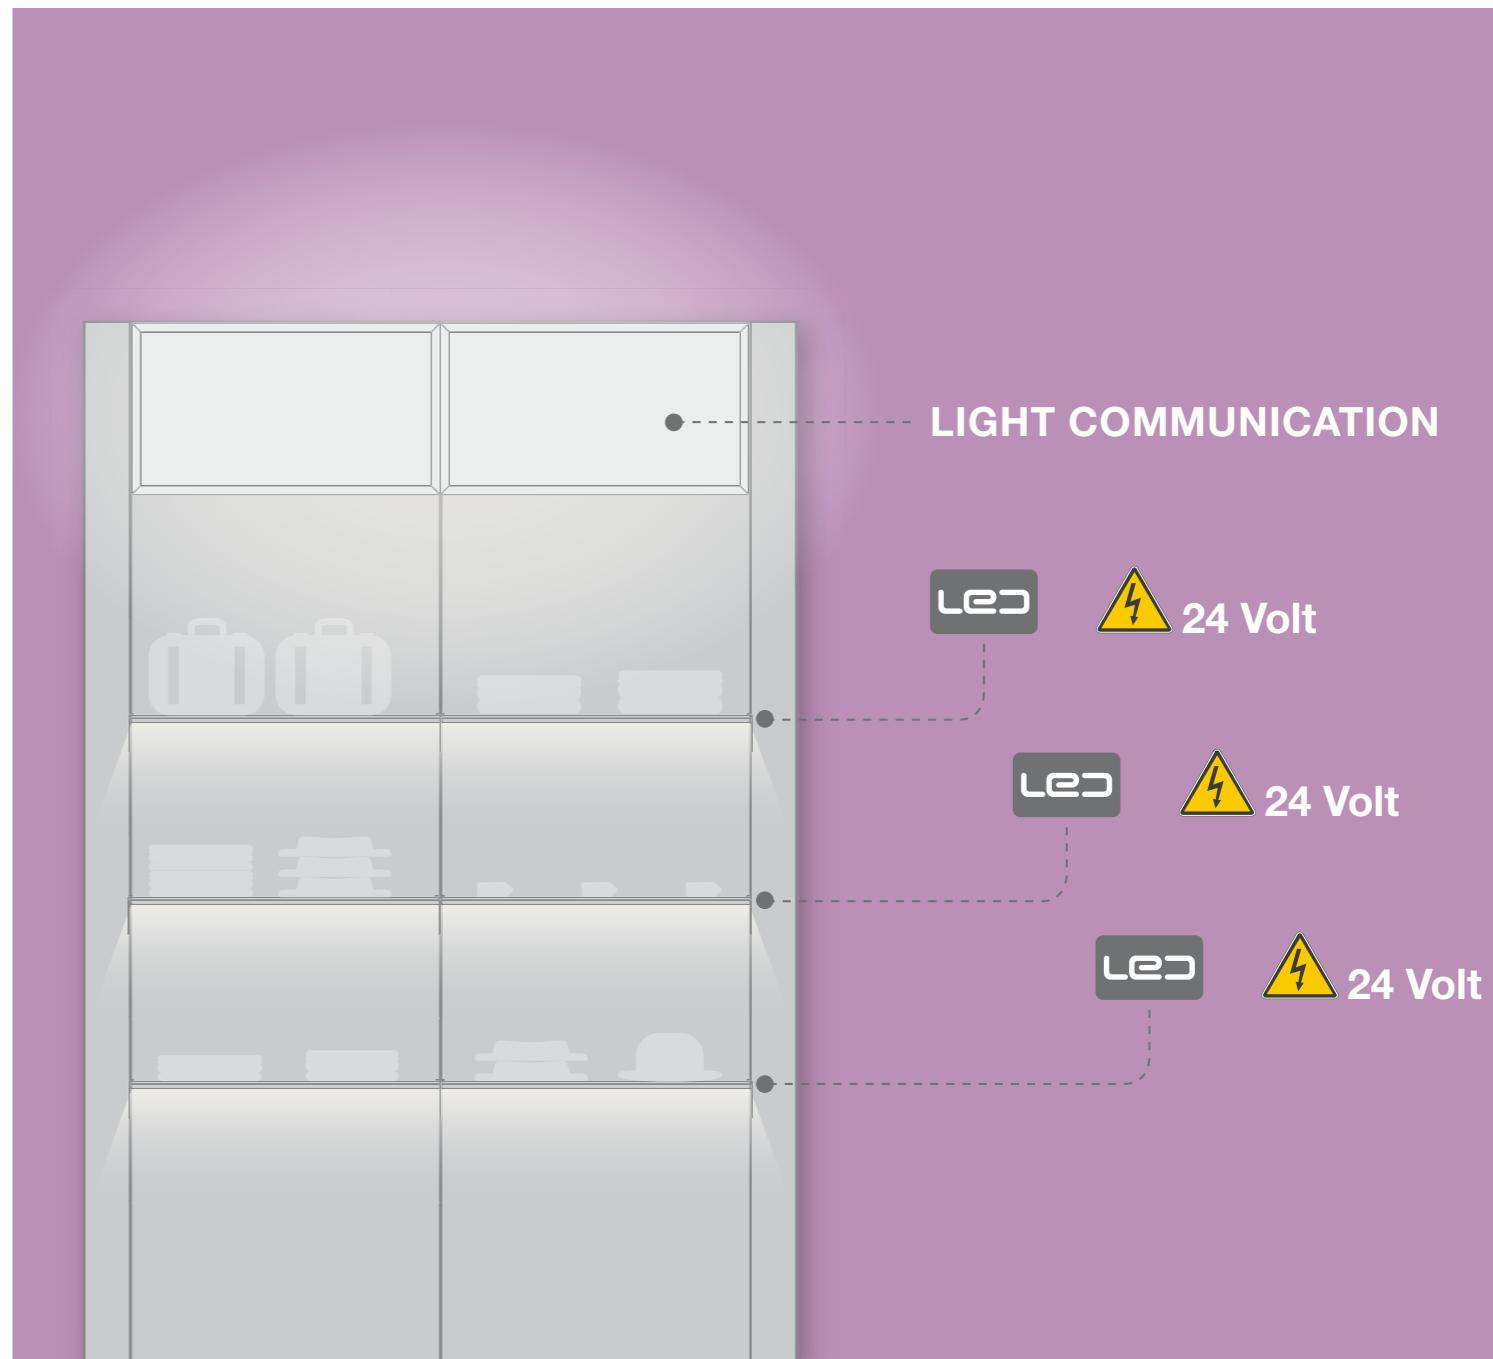

il plus degli accessori luminosi the plus of embedded lighting

Il kit di elettrificazione presente in molte linee di prodotti Gibam, rappresenta un elemento fondamentale anche per la serie M30. La possibilità di usufruire di accessori luminosi, come la luce integrabile nelle mensole, conferisce un plus significativo al visual merchandising e all'ambiente espositivo. Allo stesso modo, la comunicazione attraverso cornici luminose è fondamentale per l'approccio del cliente. Grazie alla versatilità di personalizzazione di questi elementi, sarà facile conferire il giusto mood alle nostre composizioni.

The lighting kit you can find in many Gibam product lines is present also in M30. The possibility to use elements with embedded lights, such as shelves, represents a significant plus to visual merchandising and display. Similarly, the communication through lit frames is crucial to draw the customer's attention. These elements are also easy to be customized, therefore it will be very simple to bring the right mood to your display.

How to assemble M30

LA STRUTTURA

La struttura di M30 si articola in diverse tipologie di **pannelli espositivi** capaci di assemblarsi perfettamente tra loro per creare **composizioni integrabili** in qualsiasi tipologia di settore e stile.

La flessibilità della serie, non pregiudica la raffinatezza o la qualità del prodotto, anzi, quest'ultima viene messa in luce da un design che trasforma l'**essenzialità in stile**.

THE STRUCTURE

The structure of M30 is available with different types of **display panels**, which fit perfectly together thus creating compositions suitable for many items. The flexibility of the series does not lessen the quality of the product, on the contrary it emphasizes the design turning essentiality into style.

Come vestire M30

How to dress M30

GLI ACCESSORI STANDARD

La possibilità di combinare assieme **accessori appositamente studiati** per qualsiasi esigenza espositiva, è una delle caratteristiche che fanno di M30 un prodotto dalle **qualità eccelse**. Le funzionalità di questi elementi, così come per la struttura, si associano a **finiture ricercate**, con lo scopo di mantenere una **qualità elevata** qualsiasi sia la composizione definita.

L'utilizzo di finiture legno, il vetro, e le verniciature dei metalli, sono parte integrante del design e di come l'utente si approccia a M30.

STANDARD ACCESSORIES

The possibility to combine **accessories specially designed** for different kind of items is one of the main characteristics that make M30 an **excellent product**. The functionality of the elements together with the **sophisticated range of finishes**, allow to keep the **highest quality** standard whatever the display may be.

The use of wood, glass, and metal painting, are a fundamental aspect of the M30 design.

M30: Luce, efficienza e qualità.
M30: Light, efficiency and quality.
